Department of theology new training workshop

The National and Kapodistrian University of Athens' Department of Theology, in cooperation with the Inter-Orthodox Centre of the Church of Greece, and the Wikipedia Community of Greece's Schools Association, commenced a new training workshop, entitled "Introduction into writing Wikipedia entries".

Post-graduate students, Ph.D candidates and researchers, accompanied by theology professor Sotiris Despotis, will have the opportunity to combine scholarly work with contributions to the free and open online encyclopedia.
