Resources for Virtual Summer Camps and Vacation Church Schools

The Greek Orthodox Archdiocese of America announces a new website offering critical resources for “virtual” Summer Camp and Vacation Church School programs.

A Camp Committee made up of ministry leaders from across the Archdiocese (and led by Y2AM’s Resources & Training Coordinator Cassandra Garibaldi) has done excellent work compiling Codes of Conduct, how-to’s, and other helpful materials to support summer programs for our young people.

Additional resources, including 9 Orthodox Life sessions for “virtual” ministry, are also posted.

The “virtual” ministry resources are available at y2am.org/camp2020.
