DELIBERATIONS OF THE FIRST DAY OF ORTHODOX YOUTH CONFERENCE IN KAMPALA 2024.

With the blessing of Metropolitan Jeronymos of Kampala, over 80 youth representatives from the different Parishes of the Uganda Orthodox Church – Holy Metropolis of Kampala have kickstarted their 2-day conference today at the Metropolis secretariat in Kampala.

It started with several themes in discussion but mostly with the presence of the Metropolitan who physically blessed all their deliberations.

He presented a groundbreaking paper to youth outlining several current issues affecting the youth which require, discussion amongst themselves as well as contemplating together with church leadership on how to overcome them.

The metropolitan noted that he germinated from a Youth perspective and therefore he understands all their needs and he is ready to work closely with them to nurture a well-molded future of the Church, the Youth.
