

Archbishop's Call for Prayers for King's Health

His Eminence Archbishop Nikitas expresses his prayerful support for the restoration of health for His Majesty King Charles III, in light of the recent announcement about the King's health.

His Eminence encourages the parishes and communities of our Archdiocese, and all the faithful, to continue to pray for our King, and for His recovery and well-being, in keeping with our entreaty during every Divine Liturgy: "For our most gracious Sovereign Lord King Charles III, the Royal Family, His Majesty's Government, for those in public service, and for the Royal Armed Forces everywhere, let us pray to the Lord".
