More than twenty tombstones destroyed in the Lipljan Orthodox cemetery

Unknown persons demolished and destroyed more than twenty tombstones in the Orthodox cemetery in Lipljan on the night between Friday and Saturday, RTV Gracanica reported.

The president of the Serbian community in Lipljan, Jovica Miric confirmed for RTV Gracanica that over twenty tombstones were destroyed.

This is not the first time that this Orthodox graveyard was vandalized, as similar incidents occurred several times in the past.
