Arch-pastoral visit to St Andrews

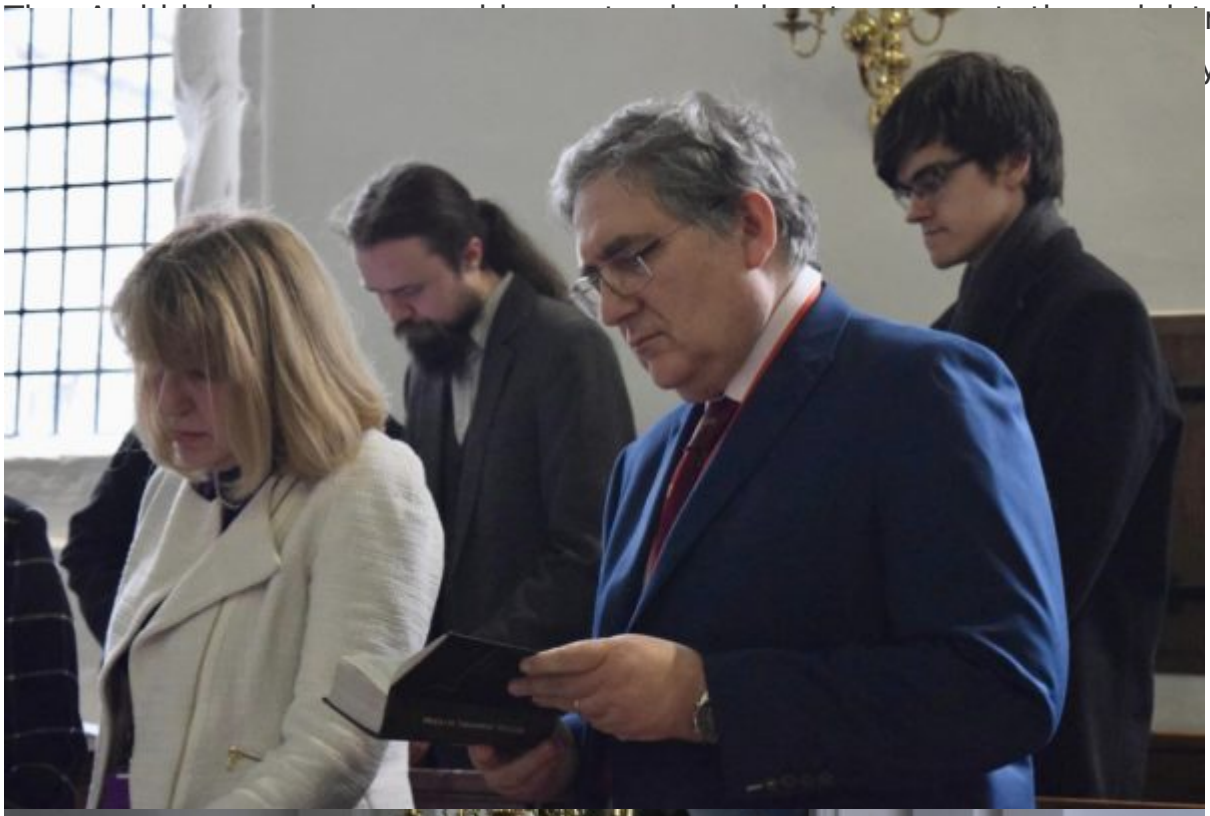

On Holy Monday, 29th April 2024, His Eminence Archbishop Nikitas of Thyateira and Great Britain made His first arch-pastoral visit to the Orthodox community of St Andrew, at St Andrews Fife, accompanied by His Grace Bishop Raphael of Ilion.

Following His arrival, His Eminence Nikitas presided over the Service of the Bridegroom. After the service, He was welcomed by V. Revd Archimandrite Avraamy Neyman, Priest-in-charge of the parish, who thanked The Archbishop on behalf of the community for His visit.

The community's Parish Council then held an evening dinner reception for His Eminence, His Grace, the accompanying clergy and the people of God. His Eminence gave people the opportunity to ask questions concerning the Faith and the ministries of the Archdiocese.
