

Antiochian Orthodox Christian Archdiocese of North America: New Resources From the Assembly of Bishops' Committee for Youth

At the initiative of the [Committee for Youth \(Assembly of Canonical Orthodox Bishops of the United States of America\)](#), a new inter-Orthodox youth workers website has officially launched at www.orthodoxyouth.net.

This new site was developed with the cooperation of the Orthodox jurisdictional youth directors and camp directors across the United States. The youth directors wanted a central place for the sharing of resources across jurisdictions. There are sections for youth workers, resources for working with parents and families, camping ministry information, youth formation and protection resources, amongst other material.

Additionally, the Committee has recently released an informative report titled ["Orthodox Youth Spiritual Formation."](#)
