The kindergartens of Constantinople visit the Theological School of Halk

On Thursday, 30 May 2024, the Theological School of Halki resonated with the joyful voices of 30 children from two Greek Diaspora childcare centres in Constantinople: the Creative Workshop of the Holy Trinity and the Kindergarten of Chalcedon.

Accompanied by their parents and teachers, the children were warmly welcomed by the Abbot of the Monastery of the Holy Trinity, His Grace Bishop Kassianos of Aravissos.

Following a brief tour of the historic institution, the children had the chance to explore and enjoy the serene natural environment of the School, making it a memorable visit for all.
