Department of Greek Education to Present at 2024 Clergy-Laity Congress

The Department of Greek Education is excited to announce its participation in the 2024 Clergy-Laity Congress. They will be presenting a comprehensive overview of the various programs offered by their department, along with upcoming events and webinars. Their presentation will also cover how to effectively utilize the resources available to programs and teachers.

Additionally, they will discuss the department's use of SNF grants and the positive impact these funds have had on several parishes across the country. They encourage all those interested in enhancing their parish Greek language programs to join them for their committee meeting on Monday, July 1st at 3:30 PM in the Coral 1 Room.

Furthermore, they invite you to attend their Ministry Panel Workshop on Thursday, July 4, 2024, at 10:30 AM. The workshop, titled "Preserving Greek Heritage: The Role of the Department of Greek Education in Fostering Cultural Identity and Community Cohesion," will provide valuable insights into how our department supports cultural preservation and community building.

For any questions, please feel free to stop by our booth M513, where you can also pick up a complimentary gift.

They look forward to your participation and to discussing how their department can assist in strengthening your parish's Greek language programs.
