Historical day for the Serbian Orthodox Church in Innsbruck

The Church-School Community of Innsbruck was founded in 1992 and since then it has used a rented church in that town. After many years of searching for the permanent solution, the Church-School Community of Innsbruck received a magnificent invaluable church in the center of the city as a gift from the Roman Catholic Order of the Redemptorists.

With the blessing of His Grace Bishop Andrej of Austria-Switzerland, on behalf of the Serbian Orthodox Church, the contract on a gift was signed by President of the Church-School Community of Vienna Mr. Radosav Mitrovic and its Secretary protopresbyter-stavrophor DragoVujic, in the presence of Diocesan Dean for Western Austria protopresbyter-stavrophor Dragan Eric, President of the Church-School Community of Innsbruck Mr. Zivorad Karajovic and the competent parish priest, archpriest Aleksandar Stolic.
