The School remains the nursery and nurturer of the Holy Sepulchre Brotherhood and attending the Patriarchal School of Zion is an honour for the students and I hope that this school year will be full of the fruit of education, the fruit of teaching, that there will be respect from the students towards the teachers and good cooperation and mutual respect of the teachers among them, so that the Brotherhood awaits the verification of its expectation that the students will join it and will continue this work of safeguarding the rights of our nation in the Holy Land.
