

Catholicos-Patriarch of All Georgia Ilia II: It often happens when the mother leaves her family and goes to work, may God give every mother strength to fulfill her duty

It often happens when the mother leaves her family and goes to work, work is important, but the main thing is child-raising. May God give you strength and wisdom, may God give every mother the strength to fulfill her duty, – Catholicos-Patriarch of All Georgia Ilia II said in his Sunday sermon.

The Patriarch congratulated the parish on the day of Mary Magdalene and spoke about the role of the mother.
