Metropolis of Boston Holds 24th Annual Metropolis of Boston Camp Golf Tournament

Image not found or type unknown

This week, the Metropolis of Boston hosted the MBC Golf Tournament, an annual event which raises funds for the Metropolis of Boston Camp and St. Methodios Faith and Heritage Center. It was a blessed day for the fundraiser, with His Eminence Metropolitan Methodios of Boston in attendance alongside many other Metropolis clergy and laity. Via Instagram, the St. Methodios Center emphasized that “Our children are our future and our greatest inspiration, as well as our greatest investment,” and expressed appreciation for all support and donations.

MBC is the Camping Ministry of the Greek Orthodox Metropolis of Boston. The Mission of the Metropolis of Boston Camp is to enhance the lives of its participants by bringing campers and staff into a close personal relationship with Jesus Christ, their Orthodox faith, and Hellenic culture. MBC provides the opportunity for young people of the Greek Orthodox Metropolis of Boston to foster a life-long appreciation and love of their Orthodox faith, friends, and cultural heritage.

This important Mission is accomplished by providing a safe and fun environment in which campers and staff can fully immerse themselves in the vibrancy of our Greek Orthodox Faith and learn to live Christ-centered lives. The Metropolis of Boston Camp participants get to enjoy the serene beauty of God’s creation, at our very own St. Methodios Faith and Heritage Center, a property acquired and developed through the loving, ceaseless, and generous donations of committed individuals, families, organizations and parishes. At the end of our program, the youth and young adults return home with strengthened faith, life-long friendships based on Christian love, and an expanded appreciation for the Orthodox Church, their faith and Hellenic culture.
