

## **PHAICON24 - International Conference Official Website Launch**

The organizing committee of “PHAICON24 - The International Conference on Posthumanism and Artificial Intelligence” is excited to announce the official launch of the conference website [www.phaicon.net](http://www.phaicon.net)

The site provides comprehensive information about the event, including the program schedule, speaker profiles, and important updates.

PHAICON24 brings together thought leaders, academics, and innovators from around the world to explore the transformative intersections of posthumanism and artificial intelligence. The event will feature a dynamic range of speeches and panel discussions both in-person and online.

The newly launched website will serve as a central hub for participants, offering the following features:

- Program Details: A full agenda outlining session topics and timings.

- Speaker Information: Photos and sessions of all confirmed speakers.
- Venue and Accommodation: Information on the event location for those attending in person.

Bilingual Interpretation: Greek-English interpretation will be available throughout the event, ensuring accessibility for both local and international participants.

Live Streaming: The entire conference will be streamed live on YouTube, providing global access to those who cannot attend in person (live stream links will be announced).

In-Person Participation: For individuals wishing to attend in person, access is free upon registration at the conference secretariat office located at the Divani Caravel Hotel, during the conference days.
