

Doxology for the Anniversary of 'Oxi Day' in Lusaka, Zambia

On Sunday, 27 October 2024, a Hierarchical Divine Liturgy was celebrated at the Community Church of Saint Alexander in Lusaka, officiated by His Eminence Metropolitan Ioannis of Zambia.

The Metropolitan also conducted a Doxology for the Anniversary of 'Oxi Day', which was followed by a school celebration.

In attendance were the Consul General of Greece in Zambia, M. Kroupnik, the President of the Community, Liakopoulos, and the new educator, Ms. Rania Tsirigoti.

A wreath-laying ceremony then took place at the memorial of the Greek Community's fallen.

Subsequently, a celebratory gathering was held at the Metropolitan residence, featuring Greek cuisine and traditional music.

A warm welcome was extended to the new teacher, with wishes for a good start and strength in her work.

The new educator is tasked with taking on a significant role in the newly established Chair of Hellenic Studies at the University of Zambia, in collaboration with the Hellenic community in Zambia. The work will be realised through a relevant

and interactive work at the weekends.
