Catholicos-Patriarch of All Georgia Ilia II: I want to pay special attention to our youth, youth is clever, wise, but evil tries to take it from God

I want to pay special attention to our youth, youth is clever, wise, but evil power is trying to take our new generation from God, – said Catholicos-Patriarch of All Georgia Ilia II said in his Sunday sermon.

Patriarch spoke about Georgia’s past, present and future.

As Ilia II noted, the new generation should learn the lessons of the past from the past.

“The past must be our teacher, we must learn what to do and what not to do. We went through difficult times, wars, riots, but we maintained true faith. We thank the Lord for its grace. Today we are living in a difficult time, a time of troubling, but we must endure it”, – Ilia II said.
