

Sydney: The Parish of Saint Sophia and Three Daughters expands their 'Feed the People' program

The Greek Orthodox Parish of Saint Sophia and Three Daughters in Surry Hills has announced with the Blessing of His Eminence Archbishop Makarios of Australia, the expansion of its feeding program 'Feed the People' to a third location found a short distance from the Parish at Eddie Ward Park,.

The new location will allow the Parish and its feeding program team to aid and support the local community with hot meals and other every day basics.

Parish President Mr Con Zannettides stated "It is this type of unwavering and continual support that enables us to continue such programs and initiatives within our parish."

As a self-funded programme, 'Feed The People' relies on the generosity of volunteers and donors to sustain its work. The parish encourages anyone who would like to assist or learn more about how they can support the program to contact Father Irenaeus Triantis at (02) 9331 5031.
