Archbishop Elpidophoros Welcomes Dr. George Patoulis, President of the Athens Medical Association, to the Archdiocese

His Eminence Archbishop Elpidophoros of America welcomed Dr. George Patoulis, President of the Athens Medical Association, along with a delegation of medical professionals, to the headquarters of the Greek Orthodox Archdiocese in New York on November 19, 2024. Dr. Patoulis briefed the Archbishop on an initiative aimed at promoting access to high-quality medical services in Greece at competitive prices and enhancing collaboration with Greek-American physicians in the United States.
