Prayer for the victims of the air tragedy

God and Lord of mercy,

We bow our knees and hearts and we beseech and implore you for the repose of the souls of the 179 fallen servants of yours during the recent air tragedy that occurred in our country which has plunged it into great mourning.

We also pray for divine comfort and strength for the relatives, friends and acquaintances of the departed, so that they may be able to bear the cross of great pain and sorrow that their unexpected and so painful death filled their hearts.

Lord, Jesus Christ, we beg you to relieve and sweeten the aching souls from the bitterness of the death of all those who suffer because they will never see their loved ones again. For You are our only comforter and sweetness and in You, we have certain hope and unwavering trust, now and forever and in the ages to come. Amen.
