The Pilgrimage of Discovery, funded by the Archons of the Ecumenical Patriarchate, is a transformational program dedicated to sending Orthodox Christian young adults to Constantinople each year to learn about Orthodoxy, our Patriarchate, the history of the Church, the challenges facing the Ecumenical Patriarchate, the experience of the remaining Orthodox people living in Asia Minor and other important priorities. This rewarding experience helps participants better connect to their religious tradition and understand the relevance of the Ecumenical Patriarchate as they prepare to lead the Orthodox Church in the future. This immersive journey creates a lasting impact on identity, faith, family, community

and culture and helps secure the continuity of the Orthodox Church from a grassroots level.
