Archbishop Makarios of Australia: “Illness can become an opportunity for inner transformation”

“Illness can become an opportunity for inner transformation, a path that leads towards salvation and eternal life” notes His Eminence Archbishop Makarios of Australia, among other things, in his video message on the Instagram social networking site. “It is not easy to accept it but with faith we can face it and receive the grace of the All-Holy Spirit.”

Below is the relevant post and His Eminence’s full message:
