

## Archbishop Makarios: Six years at the “helm” of the Orthodox Church in Australia

On 29 June 2019, at the Cathedral of the Annunciation of Our Lady in Sydney, the enthronement ceremony of His Eminence Archbishop Makarios of Australia took place with great splendour.

On the occasion of the sixth Anniversary of His Eminence’s fruitful pastorate, the Media Office of the Holy Archdiocese of Australia has produced an anniversary audiovisual tribute, which briefly presents certain characteristic moments of His fruitful ministry on the fifth continent.
