Workshop: The role of Faith Leaders in combating hate crime

On Monday, 9th September 2019, His Eminence Archbishop Nikitas participated in a workshop jointly organised by the Ecumenical Patriarchate and the Interfaith Alliance for Safer Communities of the United Arab Emirates. The workshop was made up of representatives both from Europe and the Middle East.

The workshop was held in the College des Bernardins in Paris and the topic was “The role of Faith Leaders in combating hate crime”.

Church representatives and leaders of other religious communities were present.
