

## Over 600 Registered for the 9th Archdiocesan 'Discover Orthodoxy' Online Catechism Class

More than 600 participants registered for the opening session of the 9th annual Discover Orthodoxy online catechism course, organised by the Archdiocese of Thyateira and Great Britain. The session took place via Zoom on Tuesday evening and was inaugurated with the blessing of His Eminence Archbishop Nikitas of Thyateira and Great Britain.

The course is organized and led by the Very Reverend Archimandrite Nephon Tsimalis, Protosyncellus of the Archdiocese and Dean of the historic Cathedral of the Divine Wisdom in London. He is joined and supported by Rev. Fr. George Tsiappourdhi Priest-in-Charge of the Greek Orthodox Church of St. Nicholas in Southampton.

Held weekly, each 45-minute class introduces participants to the core teachings, history, and spiritual life of Orthodox Christianity. The course will run through early spring, culminating in the annual group baptisms for those who choose to formally embrace the Orthodox faith.

The "Discover Orthodoxy" programme continues to grow in reach and impact, reflecting increasing interest in Orthodox Christianity across the UK and beyond.
