## **Archpastoral Visit to the Cathedral of All Saints, Camden**

On Sunday, 12 October 2025, His Eminence Archbishop Nikitas of Thyateira and Great Britain made a pastoral visit to the Cathedral of All Saints in Camden, a historic community of the Greek Orthodox Archdiocese in London.

His Eminence presided over Matins and the celebration of the Divine Liturgy, assisted by the Cathedral's parish priest, the Revd Protopresbyter George Zafeirakos, the Revd Archdeacon George Tsourous, and the Revd Deacon Georgios Ntallas. Faithful from across the capital gathered in prayerful joy to receive the Archbishop's blessing and participate in the Eucharistic celebration.

In his homily, the Archbishop reflected on the image of the divine seed, the Word of God, the Logos, sown into the hearts of the faithful. He encouraged those present to cultivate this seed with care, through prayer, humility, and good works, so that it may bear fruit in their lives and in the life of the Church.
