Volunteer work at the Holy Monastery of Saint Andrew the First-Called Apostle

From Saturday to Monday (8-10/11/2025), a group of volunteers from Korea, Russia and Greece, members of the parish of the Cathedral Church of Saint Nicholas in Seoul, visited the men’s Holy Monastery of Saint Andrew in Yanggu. They worked diligently in preparation for the upcoming feast of Saint Andrew the First-Called Apostle. Specifically, they focused on cleaning the buildings and painting interior and exterior surfaces.

At the same time, they had the blessed opportunity to participate in the daily sacred Services and in the Divine Liturgy on Sunday, November 9.

May the Lord, through the intercessions of Saint Andrew the First-Called Apostle, bless the volunteers and grant them health of soul and body.
