

## **Archbishop of America attends school opening ceremony in Flushing, NY**

**Archbishop of America, His Eminence Elpidophoros, on Wednesday officiated at a blessing ceremony, on the occasion of the new academic year, at the Greek-American school William Spyropoulos, operated by the St. Nicholas Orthodox parish in Flushing, NY.**

During the ceremony, the Archbishop first read out verses from the Gospel in the original Greek, following up with the same verses in modern Greek, so that as many pupils as possible understood the meaning.
