‘Bible for Young People’ printed in German by Romanian Orthodox Church in Austria

An edition entitled “Bible for Young People” will be printed in Vienna this year, following an initiative by the Romanian Orthodox Church in Austria.

Romanian Orthodox theologians and clerics cooperated to complete the German-language edition, with an adaptation of Biblical texts and Orthodox confessions undertaken by professor Constantinos Nikolakopoulos.

Die Bibel als Heilige Schrift
ist die Erfahrung der Liebe Gottes
zu den Menschen entlang
ihrer Geschichte.
