Orthodoxy on Tap - Living Our Best Lives

BOSTON – On the evening of Thursday, October 3rd, 2019 the Metropolis of Boston held the first Orthodoxy on Tap of the Fall Semester. Orthodoxy on Tap is the one of the most prominent young adult ministries out Metropolis. The community of over 100 young adults from throughout the Greater Boston area meets monthly in Kenmore Square for fellowship and an engaging discussion. The speaker for this episode was Mr. Bill Marianis who offered a thought provoking discussion which challenged the young adults to really consider how seriously we take our faith. There was much discussion around the question – am I living my life its fullest potential...potential that was given to us by God?
