The Ecumenical Patriarch visits the historic building of the National Library of France

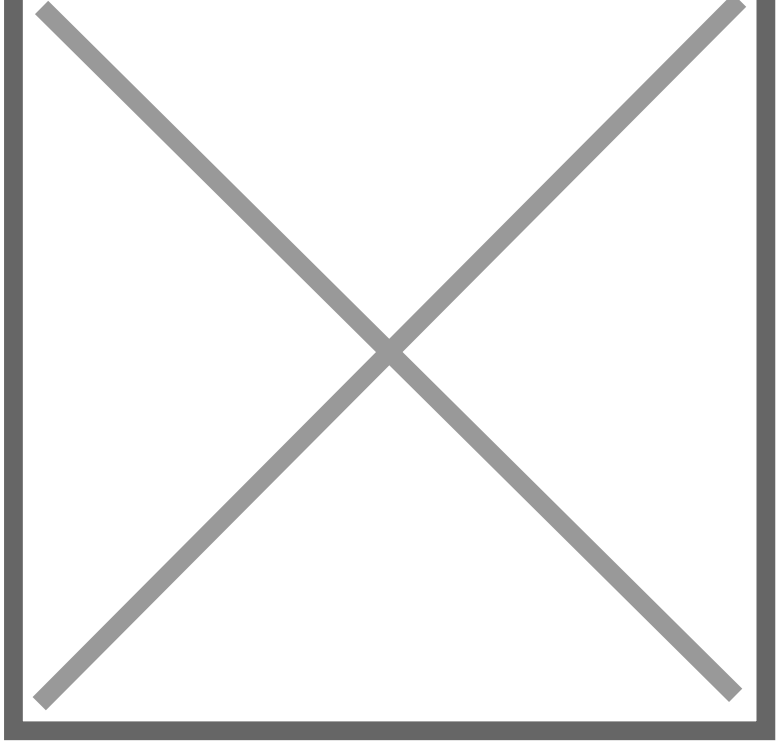

Image not found or type unknown

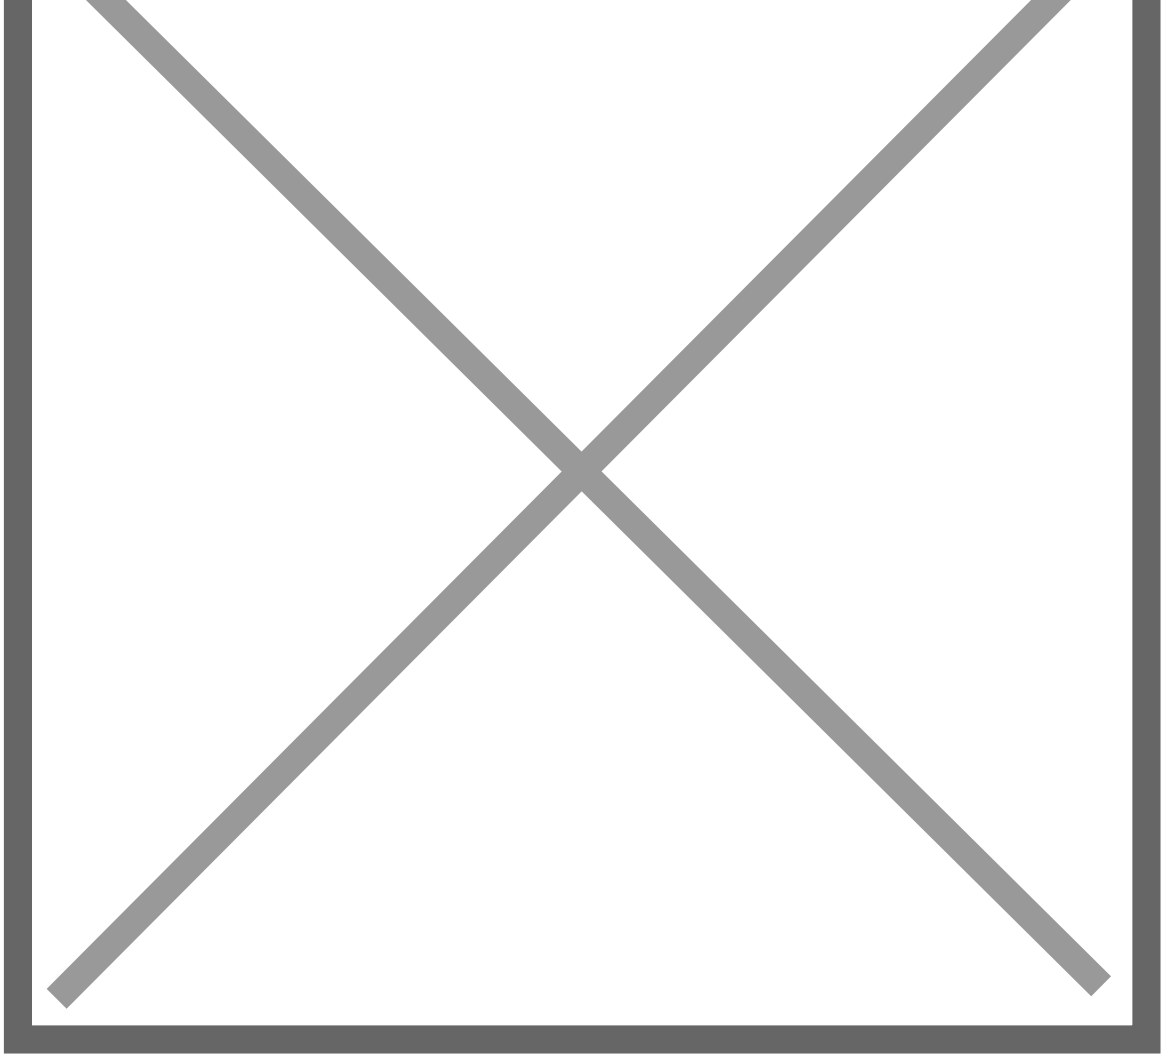

His All-Holiness Ecumenical Patriarch Bartholomew, on Tuesday, 31 March, visited the historic building of the National Library of France, where he was warmly received by its President, Mr Gilles Pécout.

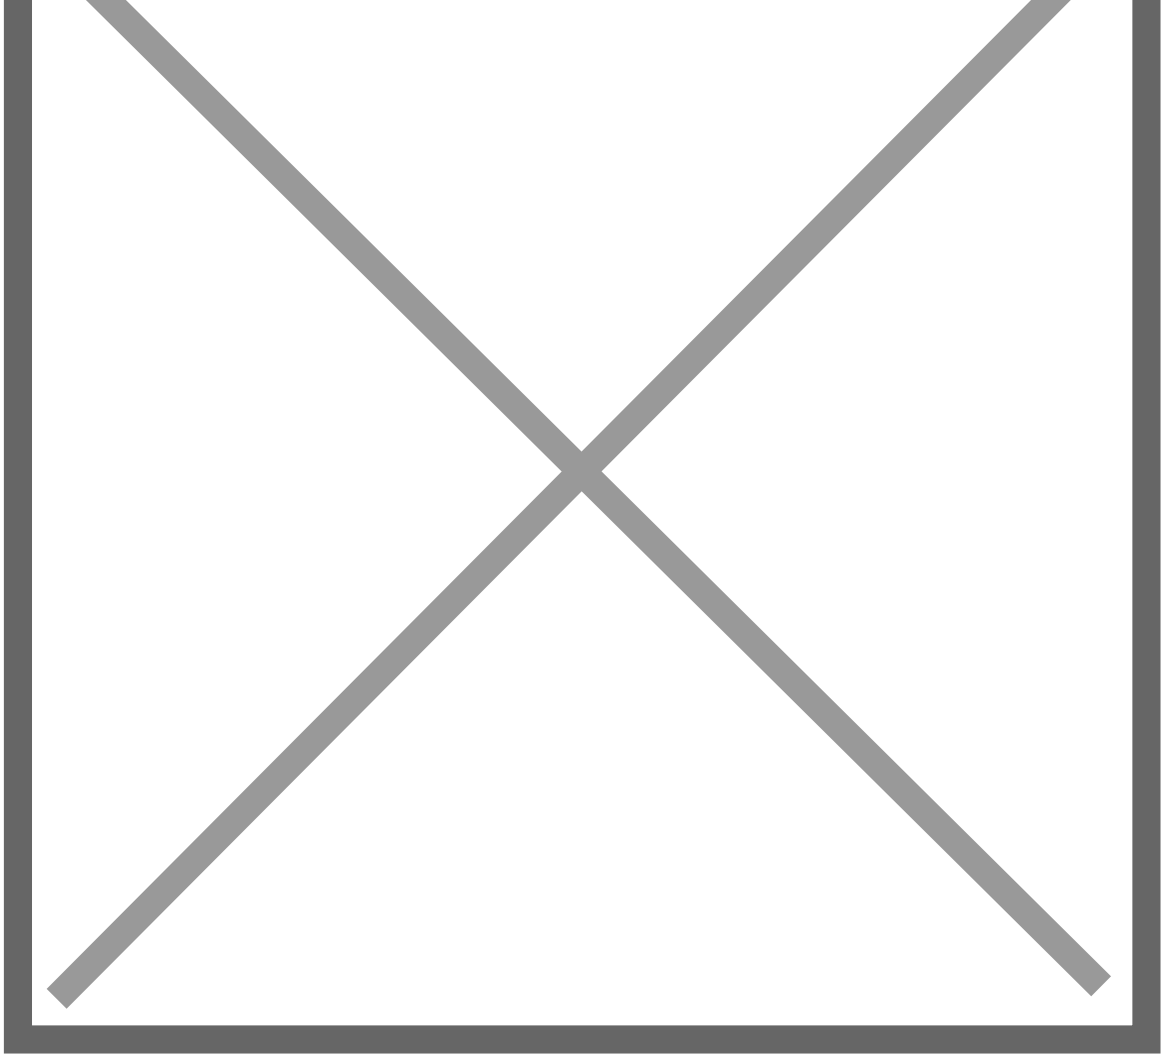

Following their meeting in the President’s office, the Patriarch was given a tour of the Library’s premises by its staff, who presented to him Byzantine manuscripts a
