NAIROBI: April will be a Season of Renewal and Grace

As we begin this new month, Archbishop Makarios of Kenya & Exarch of Eastern Africa calls us to embrace April as a time of renewal and new beginnings. Let us fix our eyes on Christ, the Author and Finisher of our faith, and grow deeper in our spiritual journey.

May we trust in God’s goodness, remain sensitive to His leading, obedient to His Word, and radiant with His presence. As Scripture reminds us in Isaiah 50:4, we are called to uplift the weary with words of hope.

Let us go forth as bearers of God’s comfort and love to all around us.

Blessed Month to All!
