The visit of the Patriarchate of Jerusalem on the Feast of Pascha to the Armenian Patriarchate

On the 3rd/16th of April 2026, Thursday of Bright Week, the Brotherhood of the Holy Sepulchre, under His Beatitude our Father and Patriarch of Jerusalem, Theophilos III, visited the Brotherhood of the Armenians at the Armenian Patriarchate in Jerusalem on the occasion of their Feast of Pascha.

During this visit, addresses were exchanged between His Beatitude, our Father and Patriarch of Jerusalem, Theophilos III, and the Armenian Patriarch, His Beatitude Nourhan Manougian.

In these, emphasis was laid upon the need for the continuation of cooperation for the overcoming of the various difficulties that arise, in the safeguarding of the Status Quo and the protection of the Christians in the Holy Land, in the light and power of the Risen Christ, and especially in a time of the grievous recent war, which, though it has ceased by reason of the truce, all the Churches pray may come to a successful and enduring resolution.
