Edition of the Holy Bible - The Old and New Testaments in the Arabic language, published by the Patriarchate

By the initiative, prayers, efforts, and moral and material support of His Beatitude our Father and Patriarch of Jerusalem, Theophilos III, the process of printing the Holy Bible—the Old and New Testaments—in the Arabic language has been successfully completed, in cooperation with the Bible Society of the Holy Land, for the free distribution thereof to our Greek Orthodox Arabic-speaking flock and to all Arabic-speaking Christians.
