

## **BOC-BP representatives take part in an international conference on heresies and paralegal movements in Greece**

By decision of St. Synod of BOC-BPS His Eminence Metropolitan Seraphim of Nevrocop participated in the International Orthodox Conference on Heresies and Paralegals in Zunga-Argolis, Greece.

Representatives of the Orthodox Autocephalous Churches and representatives of the Metropolitanates of the Greek Church participated in the conference. Each year, the forum deals with practices in the fight against sects, misconceptions and false teachings.
