### **Artoclasia - Medical Professionals & First Responders 2019**

On Sunday, November 10, 2019, an Artoclasia was celebrated at Sts. Panteleimon, Anna, & Paraskevi in Markham for the health, protection and sanctification of all our Medical Professionals and First Responders. Doctors, Nurses, Paramedics, Police Officers, Firefighters and Military Personnel were invited to the Church and honoured and recognized for their service at the end of the Divine Liturgy.

May Sts. Cosmas & Damianos (patrons of the Medical Professionals) and the Holy Archangels (Patrons of the First Responders), protect and bless all of them!
