## Holy Resurrection Nursery School Jinja held its Graduation Ceremony

Today, Holy Resurrection Nursery School Jinja held its Graduation Ceremony for the finalists (Top Class) presided over by the Vicar Eastern Uganda Fr. Chrysostom Koolya. He called upon the parents and guardians to always hasten for religious institutions that train children to become God fearing and disciplined individuals, aiming at quality but not quantity. May the Lord God enable us to continue spread the true light of Orthodoxy through our education institutions as well!
