Metropolis of Boston Dance Group visits the Metropolis Headquarters

On the evening of December 12, 2019 His Eminence Metropolitan Methodios welcomed the members of Metropolis of Boston Youth Dance Group, their instructors, and their families to the Metropolis, headquarters. It has become a wonderful tradition for the members of the group to come to the Metropolis and decorate the traditional Christmas tree.

The children showcased the Greek dances that they are learning through the program, as well as sang Christmas songs and carols.

His Eminence offered all the children a bag of goodies as well as an ornament for them to hang on their Christmas tree at home.
