

The "Interpretation of the Holy Gospel and the Symbol of Faith" course organizes the Holy Metropolis of Lovech

With the blessing of His Eminence Gabriel the Metropolitan of Lovech, begins the annual education course for the Holy Metropolis of Lovech. This year, the Scriptures of the Holy Gospel are complemented by themes on the „Symbol of Faith“.

The first two lectures will be devoted to the coming Christmas Grand Prix and will address the question of the God-bearer – why the Son of God becomes Son of Man. The lectures will take place every Tuesday in the new St. Cyril and Methodius Cathedral, 18:00, immediately after the Acatist to the Mother of God.

The entrance is free.
