A prayer to Holy Spirit for our unity

O, Holy Spirit that made all races, look kindly at the whole human family and take away the arrogance and hatred which separates us from our brothers.

There can never be peace between the nations until there is first known that true peace is within the souls of men.

We must never forget that each man is good in the sight of the Holy Spirit. So, let us put our minds together and see what life we can make for our children.
