

Bishop Silvester met with the priests in Northern Uganda

On Dec. 31, 2019, Bishop Silvester met with the priests in Northern Uganda, in which he even took them through a small insight on liturgical matters in the Orthodox Church.

He emphasised on the issue of hard work, team work and as they serve responsibly in their respective parishes in this coming new year, as we continue in the Mission of our Church and developing our Diocese. He wished them a blessed new year, presenting to them new Liturgical Vestments. Thanks to Mission Associate Rev.Fr.Pantelehmon and his team from Greece who donated them to the Diocese.
