

Feature posted on Patriarch of Alexandria and All Africa Theodoros II

The Orthodoxia news agency's website this week continues to host feature, in Greek, on the Patriarch of Alexandria and All Africa, His Divine Beatitude Theodoros II.

The Primate of the Greek Orthodox Church in Africa recounts the milestones of his missionary work and pastoral life on the continent, as well as his childhood on the storied island of Crete – the son of a Greek refugee mother from Asia Minor, and a Cretan father.
