His Eminence Metropolitan Ignacio (Samaan) made a pastoral visit, from January 10 to 14, to the emerging Haitian parish. He was received by Father Michael Rizk with members of the Parish Council.

His Eminence met with the members of the parish, visited the sick, and held the Divine Liturgy on Sunday, during which he handed over to the parish priest the Antimension and the Holy Chrism.

In his sermon, His Eminence encouraged believers to bring back to life the traditions of their fathers on this blessed island, by making the presence of the Lord active in their lives.

The parish also held a reception dinner attended by the Archbishop Eugene Martin Nugent.
