His Eminence Metropolitan Makarios of Nairobi visited the Deputy President of Kenya

On January 24, 2020, His Eminence Metropolitan Makarios of Nairobi paid a courtesy call to His Excellency the Deputy President Dr William Samoe Ruto. The leaders have been great friends for so many years. His Eminence visited the Deputy President to wish him Happy New Year and to present the Deputy a great blessing. His Eminence presented a very beautiful icon of Jesus Christ as a blessing to Deputy President, who received his gift with so much love, and a great smile. May God bless both these great men.
