Registration Underway for 2020 Presidents Meeting on March 21

by Fr. George Tsahakis
Dear Clergy & Parish Council Members,

With spring approaching, our communities have requested support in key parish areas that help them grow and prosper. Toward that aim, your Parish Council members are invited to network and exchange ideas that will challenge and support your efforts.

On Saturday, March 21, our Atlanta Cathedral will host the 2020 Parish Presidents Meeting from 10:00 a.m. – 3:30 p.m. Workshops will feature resources and question and answer sessions for the following topics: youth protection, insurance, construction, renovation and iconography projects, guiding parishes with clergy transitions, new changes to the Archdiocese Allocation Program, monetary savings on candles, educational symposia, and new regional councils within the Metropolis.

Every Priest and Parish Council member is welcome to participate at no charge. We kindly ask you to register using this link. The registration process is quick and simple and will enable us to prepare handouts and hospitality. With your presence and input, you can help inspire, educate, and transform our brothers and sisters as we gather in fellowship. Networking among our parishioners has resulted in new friendships and positive improvements in the lives of our communities.

Again, use this link to register today. On behalf of His Eminence Metropolitan Alexios, I welcome all clergy and parish council members to this annual event that has been streamlined to make the most of our busy schedules.

Faithfully yours,

+ Very Rev. Fr. George Tsahakis
Chancellor
