Postponement of the 3rd International Conference on Digital Media and Orthodox Pastoral Care, DMOPC20

We would like to inform you that, given the rapidly increasing concerns over the world-wide spread of the sickness caused by the corona virus, the 3rd International Conference on Digital Media and Orthodox Pastoral Care, DMOPC20, which was to have been held in Crete at the beginning of May, has now been postponed.

Following a decision by the Scientific and the Organizing Committee, the proceedings of the 3rd International Conference on Digital Media and Orthodox Pastoral Care, DMOPC20 will now take place on 9-12 November, in Athens.

In the interim, we shall be continuing our intensive work on expanding the International Association of Digital Media and Orthodox Pastoral Care.

We thank you warmly for your valuable support in our efforts. Further information

about the November conference and the Association will be announced shortly.
