Serbian Patriarch receives medical team of Serbia

His Holiness Serbian Patriarch Kyr Irinej on March 17, 2020, received an expert team of Serbian physicians at the Serbian Patriarchate in Belgrade.

His Holiness Serbian Patriarch Kyr Irinej, realizing the seriousness of the situation, with regard to the presence of the pandemic, will accept the advice of doctors, i.e., infectologists and epidemiologists, and calls upon all citizens of the Republic of Serbia to strictly adhere to the prescribed measures of protection from coronavirus and, relative to the same, he decided by his personal example, as an elderly citizen, to demonstrate how one should sacrifice and adhere to necessary restrictive measures prescribed by experts and State institutions.
