Vatopedi food donation to Metropolis of Syros-Tinos

The Holy and Great Monastery of Vatopedi has donated a half a ton of frozen poultry products to the Holy Metropolis of Syros-Tinos.

The products, under the blessing of the Metropolitan of Syros-Tinos, His Eminence Dorotheos II, will be distributed to families in need on the Cyclades island of Tinos, as part of the Metropolis' "We're One Family" program.
