Patriarchate of Georgia – Metropolitan of Gori and Ateni blessed the Military Hospital

The Metropolitan of Gori and Ateni, Archbishop Andrew (Gvazava) blessed the yard of Giorgi Abramishvili Military Hospital together with the clergy of the Diocese.

Hospital Director Davit Barliani attended the blessing ceremony.

Giorgi Abramishvili Military Hospital of Defence Ministry was declared a quarantine zone on March 2 as part of measures to prevent the possible spread of a new coronavirus in Georgia.

According to the current data, there are 59 people in the quarantine area of Gori Military Hospital, out of which 32 are military personnel. Their health condition is satisfactory.
