## **Explosive device outside church in central Athens; two injured | (VIDEO)**

A homemade bomb exploded outside Aghios Dionysios church, Kolonaki, Athens, on Thursday morning injuring two persons.

The mechanism exploded at 07:10. According to sources, it was made of two boxes of flammable liquid, wires and a clock.

The bomb injured the policeman who was examining the box as well as a church employee.

The area has been cordoned off.
