Tuzla, Bosnia: Over 300 masks distributed

The charity organization of the Diocese of Zvornik-Tuzla “The Mother of God the Three-Handed” in co-operation with the Church Community of Tuzla and the Youth Association *Renewal* distributed protective masks to its fellow citizens in Tuzla at the Monument to Mesa Selimovic and Ismet Mujezinovic on April 7, 2020.

The action was also supported by Tuzla parish priests Milos Trisic and Spasoje Radovanovic.

-This donation is of great value to citizens, given that the Crisis Staff decision is in force, and it is mandatory to wear a mask on the streets. We have managed to distribute more than 300 protective masks, which will surely be good for our citizens during the pandemic, said Zeljko Pantic from the Youth Association *Renewal.*
